PESSAC-LEOGNAN
2016

“Very attractive cedary-oak influence, across fresh blonde-tobacco and leafy aromas with a core of red and blue fruit. The palate has a very plush, fine and dense feel with rich, concentrated red plums and berries. Super focused, long and elegant. The third selection of the combined Haut-Brion and La Mission Haut-Brion estates. Exceptional value here. Try from 2022.”
